

CSX: 160.230  
160.320  
160.800  
NS: 161.190

This map is designed to show the relationship of Marion Union Station, AC Tower, and other elements to the tracks. Crossovers and signals are not shown for clarity.

The diamonds at the crossing of the two CSX lines were replaced in August, 2008.

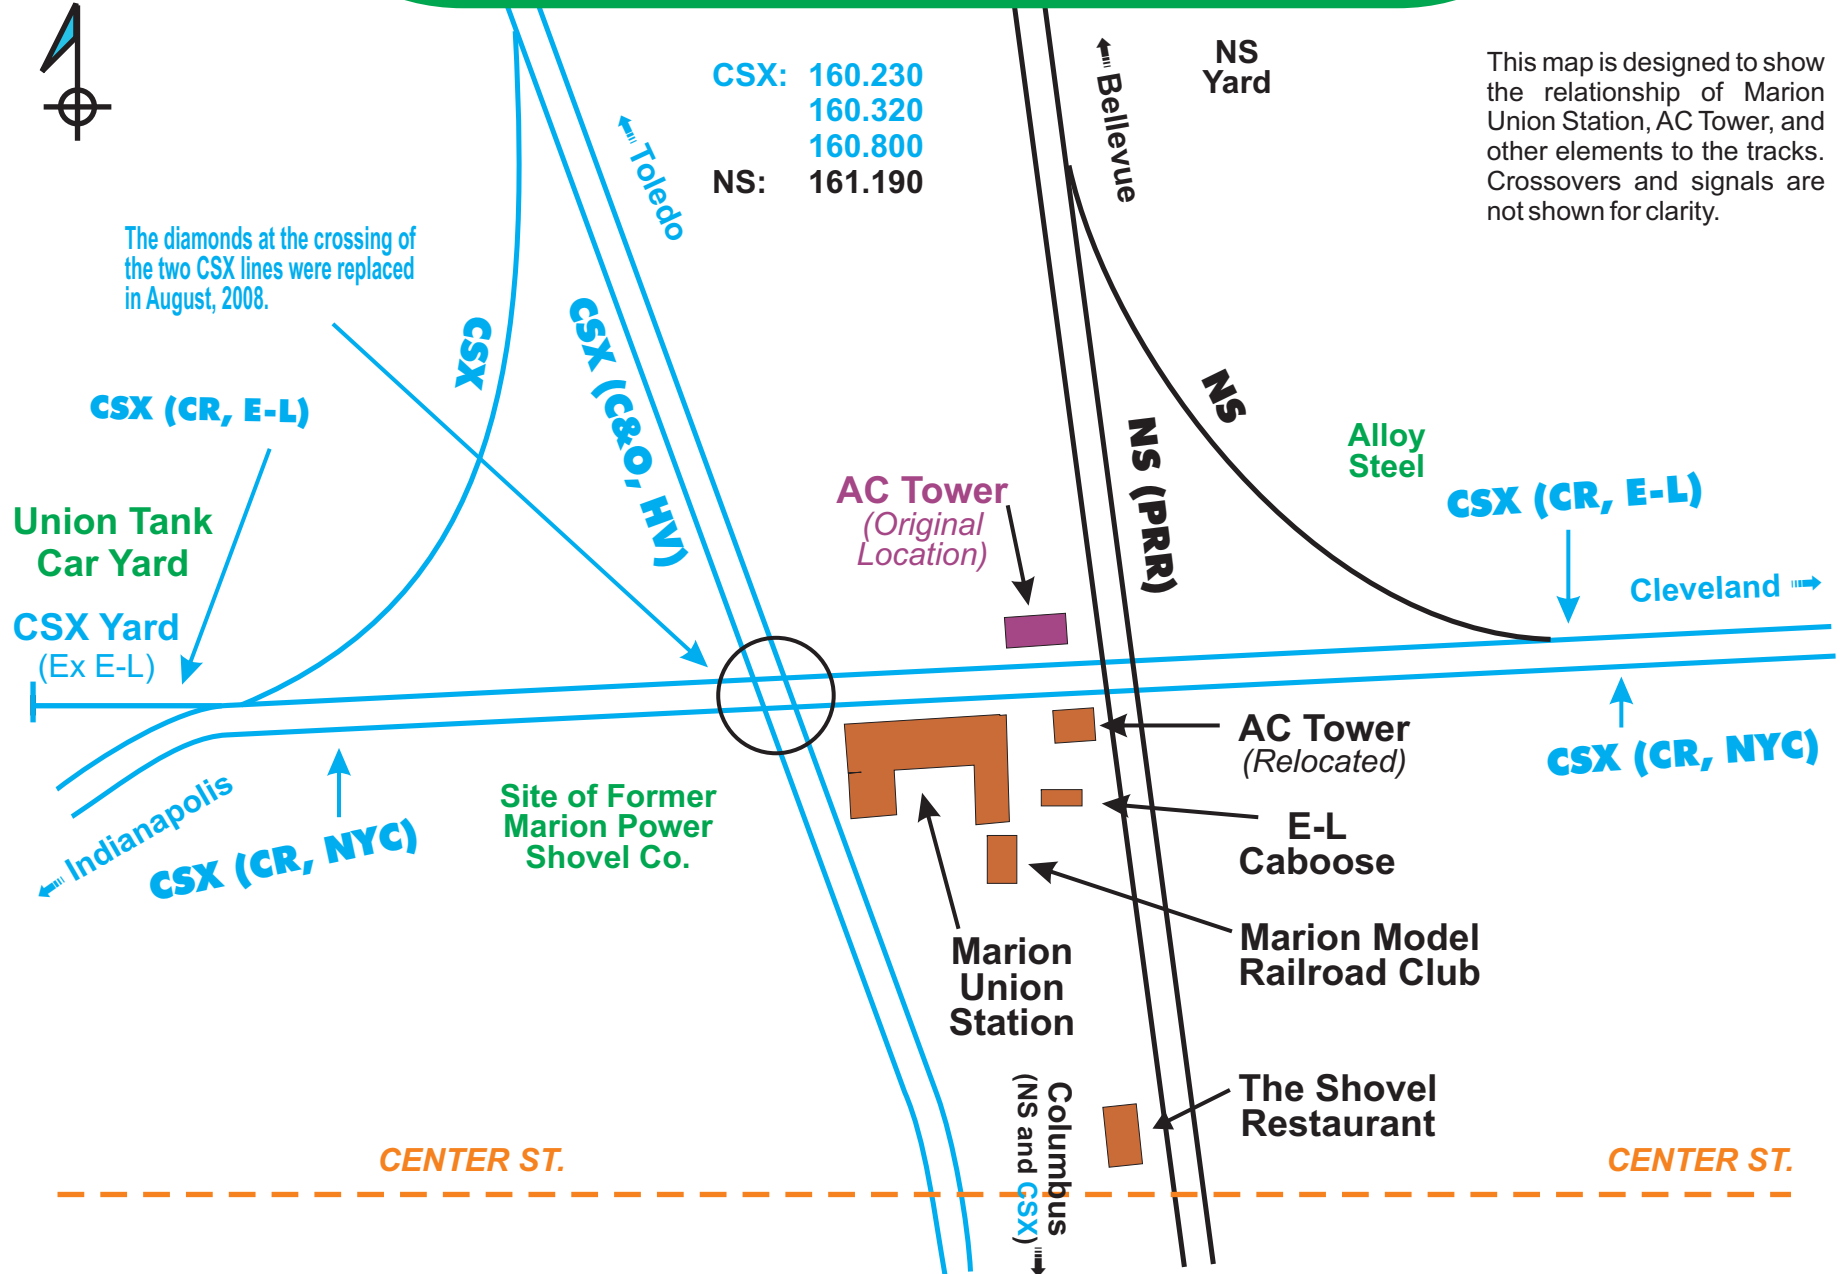

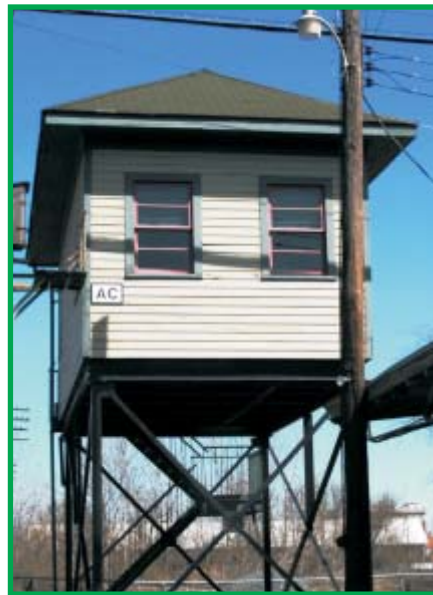

Photo by Jeff Reams, 1975

Photos by Richard S. Croy, 2008, except as noted.
